Subject : Replacement of Deputy Project Manager

Dear Sir:

This letter serves to formally inform you that the Deputy Project Manager originally assigned to **Consulting Services for Detailed Engineering Design, Tender Assistance for Civil Works, Construction Supervision, and Tender Assistance for Operation and Maintenance for the Dalton Pass East Alignment Road Project (the Services)**, Mr. Ippei Iwamoto, will no longer be able to perform his role due to unavailability.

To ensure continuity and maintain the quality of work, we are appointing **MR. SHIMPEI IMADA** as the replacement expert. Mr. Imada is a Civil Engineer with 23 years of experience in consultancy, and has extensive expertise in roads and bridges. We attached Mr. Imada's CV, showing the equivalent capability with the former expert, for your evaluation and approval of the replacement. We are confident that he will effectively support the ongoing requirements of the assignment without causing any negative impact to the implementation of the Services.

Please feel free to contact us if you need additional information or clarification.

Thank you for your understanding and cooperation.

Very truly yours,
